

## STURGEON CITY CODE

---

### CHAPTER 11: PARTICULAR OCCUPATIONS

#### Section 11.010 Security Measures Required for Convenience Stores.

##### 1. Definition.

For the purposes of this code the following words and/or phrases will have the meaning indicated below.

a. **Convenience Store** shall mean a place of business that is primarily engaged in the retail sale of groceries, or both groceries and gasoline. and is open for business at any time between 9:00 p.m. and 5:00 a.m. "Convenience store" does not include a business that is solely or primarily a restaurant or that has more than ten thousand square feet of retail floor space.

##### 2. Required Security Measures.

It shall be unlawful for any person to operate a convenience store unless the following security measures are in effect;

a. The convenience store must have a security camera system which clearly records and is capable of retrieving the image of all persons as they enter the convenience store and all persons approaching within five feet of the cash register. and must retain such recorded image for at least ninety days.

b. The convenience store must have a drop safe or cash management device for restricted access to cash receipts and a conspicuous notice at the store entrance which states that the cash register contains not more than one hundred dollars.

c. The convenience store must have lighting for parking areas, entrances or other areas of the store accessible to the public at an intensity providing clear visibility in such locations throughout the night

d. The convenience store must have a clear view of the camera area from outside the building, visible from the adjacent road.

e. The convenience store must have height markers at the entrance of the store by which the store's security cams record the height of persons entering the store.

f. The convenience store must have a telephone or holdup panic alarm device behind the sales counter easily accessible by store employees.

g. The convenience store must enforce a cash management policy to limit cash on hand at all times after 8:00 p.m. and before 5:00 a.m.

(Ord. 566, Effective August 3, 1999; New)
